

# Addition of three or more numbers

## Grade 1 Math Worksheet

Mrs. Amna works in her kitchen for the whole day to prepare for the birthday party her son, Bilal.

1. She baked 12 oatmeal cookies, 9 chocolate cookies, 6 sugar cookies and 10 cup cakes. How many cookies were there?
2. Mrs. Amna made 25 soft tacos, 16 slices of cheese pizza, 8 slices of pizza with pepperoni, 4 slices of pizza with mushroom and 12 slices of pizza with onions and olives. How many slices of pizza did she make?
3. There were 5 glasses of orange juice in the fridge. Mrs. Amna made 7 more glasses of orange juice, 10 glasses of apple juice, 8 glasses of grapefruit juice and 5 glasses of watermelon juice. How many glasses of juice were there in total?
