

# Addition of three or more numbers

## Grade 1 Math Worksheet

- Mrs. Amna made a cake that weighed 16 ounces and she put 7 ounces of frosting on top of the cake. At the end, she added 8 ounces of gummy bear to decorate the cake. How much did the cake weigh?
- Mrs. Amna bought 11 bags of potato chips, 3 bags of popcorn, 4 bags of chocolate bars, 9 bags of candies and 12 bags of corn chips. How many bags of snacks did she buy?
- Write the addition sentence that fits this: "Bilal invited 14 friends from school. Four of his cousins and his three younger sisters were also at the party. There were 22 children (including Bilal) in total at the party"
