

Today is the day for the field trip to the zoo. Everyone is very excited!

1. 42 students are going to the zoo. The first bus can only take 23 of them. How many students need to wait for the second bus?

2. There are 44 monkeys in the zoo but 5 of the monkeys are at the vet and 6 baby monkeys are in the nursery. How many monkeys are left in the monkey cage?

3. In the lion exhibit, there are 18 lions. 6 of them are baby lions and 7 of them are female lions. How many adult lions are there?
